Dear Thomas,

We are writing to follow up on the letter you received in December announcing your selection by the American Society of Legal Advocates as one of the Top 100 Criminal Defense lawyers in the State of California for 2014. ASLA's membership continues to flourish, and we wanted to send just one further letter to encourage you to take advantage of the opportunity to join as well.

As described on our website, your selection was the culmination of a six-month process in which ASLA independently researched information on tens of thousands of lawyers, resulting in the selection of each Top 100 and Top 40 category comprising less than 1.5% of lawyers overall. You were selected without regard to whether you choose to become a member of ASLA, and the selection process is closed for the year in each category once 100 top lawyers and/or 40 lawyers under the age of 40 are invited.

We continually work with our members to ensure we are maximizing their membership, including drafting members' press releases and working on potential CLE sponsorships. This, in addition to listing all members in ASLA's online legal directory, promoting their accomplishments, and enhancing our mission of creating a community of stellar legal talent across the country. Our annual membership fee is inclusive of all benefits, including a Certificate of Membership and 50% CLE discounts through our partner, LawReviewCLE, and we encourage members to take advantage of the marketing opportunities and allow us to report their latest accomplishments on our site.

To join, either return the enclosed form or visit our website www.societyoflegaladvocates.org, click on "Confirm Membership" and enter your membership code: 119403 to begin the activation process. If you joined while this letter was en route, please disregard it – your confirmation is on its way! We hope you will choose to be an active participant in ASLA, and wish you continued successes.

Yours truly,
Elizabeth Israel & Suzanne Neely
